

## **The Board Buzz**

Justin Smith opened in prayer.

The minutes of October 3, 2024, were read. James Peterson made a motion, seconded by Amy Baker to accept the minutes. Motion carried.

**Enrollment Report:** 339 students as of September 30, 2024.

### **DEPARTMENT REPORTS:**

The lights in the gym have been replaced.

Disa Schulz looked into leasing a van and it is not to our advantage to do so. She is looking into options for ACS to purchase a van. We will need it with the large number of students participating in basketball and other sports.

### **Fall Fundraiser, Roots & Boots - November 2<sup>nd</sup>, 11:00am-2:00pm.**

A class is already doing a gift card basket so the Board has decided to do a large item for the auction. Amy Baker will take care of the purchase. We have made \$28,000 with \$10,000 in expenses thus far. At the fundraiser the Board will do a power point presentation. The barbecue will have "to go" plates as well as serve in the gym. We will have 15 items in the live auction, with the rest in the silent auction. We have a total of 50 items thus far. We need people to help cut up the meat early Saturday morning. The live auction will begin at approximately 1:00pm.
