

Hello ACS Family,

The ACS Board would like to extend a heartfelt thank you for all the efforts that have been made to make our Roots and Boots fundraiser a success. The countless hours and dedication of your gifts and talents speak volumes of your love and support of the school. We especially want to thank the Forward-in-Faith Committee as well as the teachers and administrators for all their hard work. Soon we will be having the spring raffle fundraiser, so we look forward to its great success as well.

It is hard to believe, but another holiday season is upon us. As we move into Thanksgiving, we want to reflect on how God has been faithful to ACS through the years. From the very beginning, God has seen this school through its highs and lows. God has brought us fearless leaders to help us navigate rough seas, and He has made provisions for all our needs to grow and thrive. We have wonderful teachers with a heart toward God who teach our children every day. We have a beautiful facility and location for our school and plans to expand. We have loyal donors who support the school financially every year. We have our church supporters including our parent church FBC who support us financially and spiritually along with all the other community churches. We have numerous volunteers that help us in our PTO and read to our students in the library and do countless other things to nurture the ACS community. So, in a world that spends a considerable amount of time focusing on what is wrong, let's turn our attention this Thanksgiving on what is going right and how God has truly blessed even in the smallest of ways.

We pray for all the families who have suffered a loss during this time and know the holidays can be very difficult to celebrate. May you know that we remember you and we pray that God will minister his peace to your hearts. We ask the Lord to heal those burdened with illness and restore their bodies to continue the good works God has for each one of them.

We ask that you continue to pray for us as we seek God's wisdom in all the steps we take. We look forward to the future with bright anticipation and know that God is at the helm of ACS, and He will take us where he wants us to go in His time.

If you have comments, prayer requests or suggestions for us please drop them in the truth talk box on our Board Buzz page of the website. Please see the financial reports along with the board briefings for your review as well. We are looking forward to opportunities to connect with teachers, staff and students in a more meaningful way as we continue to grow and seek Gods will for ACS.

Have a blessed Thanksgiving,

ACS Board
