General Admission Requirements

Angleton Christian School is an extension of an evangelistic, Bible teaching church. It is our desire to undergird and strengthen students both academically and spiritually.

All families interested in enrolling students at ACS must apply through the Administration Office and meet the following admission requirements.

1. At least one parent must genuinely acknowledge a relationship with Jesus Christ through the process of a family interview.
2. At least one parent must annually sign the Angleton Christian School Statement of Faith acknowledging it is the standard of instruction of Angleton Christian School. It is also understood that all instruction is based on the Bible, and the philosophy and objectives of ACS.
3. A student's acceptance at any grade level is contingent upon the student's ability measured by a standardized testing program, previous school report cards, and/or by the interview data. A probationary period of four school weeks will be required for final placement of grade. Should a change be deemed necessary, parents will be notified at the end of the four-week period.
4. NO student will be admitted who:
 - has emotional or disciplinary problems that cannot be met by Angleton Christian School,
 - has a court record or pending court action.
 - is not eligible to return to previous school,
 - is married or has been married,
 - is pregnant or has a child,
 - has demonstrated a homosexual, bisexual, gender fluid or transgender orientation,
 - has a physical disability or learning disability for which our program is not staffed,
 - Any student applying for re-enrollment (or admission) at ACS must be drug and alcohol free.
5. Families seeking admission to ACS must meet the following standards:
 - The parent(s) or guardian(s) must have legal custody of the child(ren), and they must reside in the household for the majority of the time.

Due to various circumstances, there may be legitimate exceptions to these standards. All exceptions must be approved on an individual basis by the Admission Committee and the Board prior to or for continued enrollment of the student. The Administrator, in consultation with the Admissions Committee, may deny the admission of any prospective student who, in the opinion of the Administrator, would not promote the Christian environment of the school.

Age Requirements

- Pre-K 3 applicants must be 3 years old by September 1st of the year for which they are applying.
 - Pre-K 4 applicants must be 4 years old by September 1st of the year for which they are applying.

Philosophy of ACS and Statement of Belief

Philosophy of Angleton Christian School

The Philosophy of ACS is that the Bible is the inspired, infallible, authoritative word of God, and that God created all things and sustains all things. We believe that every person has been created in the image of God with a unique identity, individual strengths and weaknesses, capabilities, and limitations. We further believe that by faith in Jesus Christ, an individual enters a relationship with God whereby he/she is nurtured. Therefore, ACS is dedicated to the development of moral and spiritual character, as well as the enrichment of the academic and physical well-being of students' lives through growth in Christian ideals.

After acquainting yourself with Angleton Christian School's Philosophy and Statement of Belief, describe your expectations regarding your child's education.

Why do you think Angleton Christian School is the best educational setting for your child?

Statement of Belief

1. There is one God: The Father, the Son, and the Holy Spirit, who subsist as co-equals in unity, and as three separate, distinct Persons.
2. Jesus Christ is God's Son. He was born of a virgin as both God and man, lived a sinless life, died to atone for the sins of human beings, was buried, and arose from the grave, ascended into heaven where He will continually minister as our Great High Priest and Advocate.
3. We believe in the literal, bodily return of Jesus Christ to this earth.
4. The Holy Spirit is the divine helper, assistant, counselor and instructor and His work is to reveal Christ, convict of sin, lead to repentance, guide believers, comfort, strengthen, and sanctify the soul.
5. The Bible is God's Holy Word, without error, and is the sole authority for life.
6. Human beings are the special creations of God, made in His image and through the sin of the first man, Adam, have inherited a sinful nature, and thus need salvation.
7. Salvation is a gift through faith in Jesus Christ. Every person who truly is saved is eternally secure in the Lord Jesus Christ and will spend eternity in heaven, while those who die without salvation in Jesus Christ will spend eternity in hell.
8. Each believer has, by prayer, direct access to God through the Lord Jesus Christ.
9. The church is a local body of believers with the Lord Jesus Christ as the head.
10. Believers are to live in accordance with God's commandments and to proclaim the Gospel to all the world.

These are the beliefs of Angleton Christian School. Your child, as a student of ACS, will be educated in these beliefs. Are you in agreement with the above statements? Yes No If you disagree with any of the above statements, please explain.

I have read the **Philosophy of ACS** and the **Statement of Beliefs** of Angleton Christian School and understand that it is the foundation for instruction upon which the curriculum is based. Therefore, I will support these Biblical standards as implemented in classroom instruction.

Commitment to Cooperative Effort

As a parent at Angleton Christian School, with God's help, I will strive, to uphold the following standards so that Christ will be honored in this ministry:

1. I will join with the faculty in promoting good academic training through carefully monitoring my child's academic progress. This would involve being aware of homework, major tests, assignments, and my student's average in all subjects. Assistance should be provided in such a way as to help the student in weak areas while trying to foster personal initiative and responsibility toward schoolwork.
2. I will endeavor to assist the school through attendance at special programs and volunteer when my schedule and family time allow.
3. When attending extracurricular activities (i.e., athletic events), I will commit myself to exhibiting proper fan behavior by showing respect for officials and visitors.
4. I will seek the advancement of our Christian school spiritually, academically, and physically. I will annually recommit myself to the principles of Christian education so that this will be a Christian school and not just a private school.
5. I will meet my financial obligations on time.
6. I will read the applicable student handbooks and support the policies stated therein. The **Parent and Student Handbook** is available online at www.angletonchristian.org
7. I have read the **Statement of Beliefs** and **Mission of ACS**. Student use of technology must be in accord with the mission and philosophy of Angleton Christian School. School employees will take reasonable steps to ensure that student use of technology and information access through technology (such as the internet) is consistent with this mission. However, the ultimate responsibility for their action rests solely with the student. The student must adhere to the Acceptable Use Guidelines as described below. Violation of Technology Acceptable Use Guidelines will result in the loss of privileges and disciplinary action.

Technology as described in this document refers to, but is not limited to, both personal and school owned laptop and desktop computers, SMART Boards, smart phones and cell phones, iPads and tablet PC's, e-readers such as the Kindle, Kindle Fire, and Nook, as well as the iPod, iPod Touch and similar mp3 players, digital cameras, and video recorders.

ACS's Technology Acceptable Use Guidelines:

1. ACS is not liable for personally owned technology that is lost, stolen or damaged. ACS will not reimburse for lost or stolen technology, nor will ACS be able to fix or troubleshoot damaged technology. Technology that is brought into ACS is solely the responsibility of the student and his parents.
2. Students will reimburse the school for any damage to computers, laptops, or any other equipment that occurs as a result of malicious or negligent actions. The school or its designee will carry out the repair or replacement of equipment.
3. **Students may not go online via the school internet or their own wireless data plan without the consent of a teacher.** Students may not go online at ACS for personal reasons. School use of technology must be for academic reasons no matter if the wireless connection is school provided or personally provided through a family data plan. Student use of e-mail is restricted to faculty/staff consent. Any unauthorized use of personal e-mail will result in disciplinary action.
4. Instant Messaging and texting are prohibited unless it is for academic purposes and is approved by the classroom teacher.
5. Access to any web log (blog), forum, or "social network" website of any kind, such as Facebook, Myspace, Xanga, etc. is prohibited unless it is an academic social network and access is approved by the teacher and purposed for academic pursuits.
6. Students will be safety-conscious while online. Students will not reveal their address or telephone number, nor will they knowingly allow anyone else to do so. Students will not reveal another's name, address, or telephone number. Students will not transmit or use pictures of others without their consent.
7. Cyberbullying - disrespecting, mocking, gossiping, or speaking rudely or inappropriately about another person (student, teacher, friend, or adult) online is prohibited. Sexting is prohibited. Students will not submit, publish, or display any defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive or illegal material; nor will they encourage the use of controlled substances, alcohol, or tobacco.
8. Students will not use another student's technology, computer account, or password. Students will not allow another student to use his/her technology, computer account, or password under any circumstances. Students will not impersonate another's identity.

9. Students will respect the privacy of others. Deletion or tampering with files not created or owned by the student is prohibited unless the supervising teacher directs such deletion.

11. Students will not change computer settings, download programs from the internet, or install programs on any school computer.
12. Students will not take apart or remove any computer or any other piece of technology.
13. Students who bring in computer media (including CD's, DVD's, USB drives, or any other media containing a file) from outside the school will make every effort to ensure that it does not contain a computer virus. If a student receives a virus warning from any school computer, he or she must immediately stop whatever he or she is doing and inform the supervising teacher.
14. Students will respect the laws of the United States of America concerning copyrighted material.
15. Students may not take pictures or video of any student, teacher, staff member or ACS guest without the individual's consent and without an academic reason or pursuit.
16. Students may not utilize any piece of technology in ACS's restrooms.
17. Students will not partake in video/audio-streaming of any kind without specific permission from the supervising teacher.
18. Due to continuous advancements in technology, additional restrictions and use guidelines may be instituted throughout the school year. If it becomes necessary to amend the Technology Acceptable Use Policy, parents and students will be notified.

Any violation of the Technology Acceptable Use Policy will be taken quite seriously and may result in a suspension and/or expulsion depending upon the violation.

*A copy of the Technology Acceptable Use Policy can be found in the ACS Student/Parent Handbook.
