

PARENT – STUDENT AGREEMENT

I have read the ACS Student Handbook and agree to respect these documents as foundational to the curriculum and authority of Angleton Christian School. By signing below, I agree this is a legal binding contract. I will require my child to comply with school regulations as set forth in the student handbook and will support the school in word, action, and spirit. I provide ACS the authority to discipline our child as necessary according to the guidelines stated in the Student Handbook. I understand that a child who persists in unacceptable conduct will face consequences and at the discretion of the Administrator, may not be allowed to remain at ACS. I acknowledge I have read the Parent Conflict Resolution Flow Chart and will use this process for any conflict that may arise.
